

Fuel Gas Conditioning Solutions

Natural Gas Pipeline Equipment for Combustion Turbines

Gas Filtration/Conditioning

Burgess
Manning/Peerless Manufacturing

- Vertical Gas Scrubbers
- Filter Separators
- Fuel Gas Conditioning Skids
- Fuel Gas Heaters
- Fuel Gas Compressor Systems

TranAm Systems
International Inc.

Gas Pressure Reducing Stations

- Fuel Gas Pressure Reducing Skids
- Pilot Operated Gas Pressure Regulators

- Control Valves
- Monitor Valves

- Emergency Shutdown Valves
- Zero Steady-State Bleed Natural Gas Operated Controllers and Positioners
- Silencers
- Acoustic Blankets

Fuel Gas Metering Stations

Instromet

- Fuel Gas Metering Skids
- Natural Gas Flow Computers
- Natural Gas Meters

Pipeline Valves

- Double block and bleed pipeline ball valves
- Gas Operated Valve Actuators

Natural Gas Analysis

- Gas Chromatograph Systems
- Gas Sampling Systems
- Fast Response Wobbe Index/BTU Analyzer
- Moisture Analyzers
- Portable Gas Chromatographs
- Hydrocarbon Dew Point Analyzers

Instrumentation/Accessories

- I/P Transducers, Instrument Airsets

- Orifice Plates & Fittings
- Straightening Vanes

- Spread Spectrum Radios

- Meter Spools
- Analyzer Sheds
- Prefabricated Pipeline Fittings

- Hazardous and Combustible Gas Monitors

McDaniel Controls, Inc.

- Pressure Gauges

- Heated Sample Tubing

- Instrument Manifolds
- Blowdown Valves

- Sample Probes
- Odorization Equipment
